Toppy Ph Dual Press is an electrical pallet truck that can change the pallet in dual mode:

1. 180° load-turning mode, for raw materials such as bags, bottles, drums, big bags, buckets, etc;
2. Side press mode (no turning), for finished products, packed in boxes.

Topy Ph Dual Press Mobile Pallet Turner can handle loads up to 1500 kg, while the max. forks opening is 1780 mm.

The frame of the Topy Ph Dual Press is realized with wide base legs in order to handle both opened and closed bottom pallets.
